Each week we will focus on a different theme with activity based curriculum containing fun art projects, group science exploration and sensory play. This one day class can be your child's first steps into preschool fun or an addition to their regular week.

To pre-register your child, please return the bottom portion of this form to Berry Bright or call us at (503) 397-2750. A packet will be mailed notifying that your child has been pre-registered in your selected class. To fully register your child you must return the registration packet and fee no later than Open House on Friday, March 7th.
